

EXEMPTION FOR MARCHING BAND

Participation in the Marching Band is mandatory for all magnet students. We feel that it is an important aspect to your musical education and helps build team leadership in the program. With that being said, we do understand there are circumstances that may keep a student from participating in MYJ.

Please look at the exemptions listed and if you fit the criteria for being exempted from marching band then please check mark and have a parent sign the form.

1. Participating in another music group outside of Blake HS. (ex: Patel, Ruth Eckerd, TMYO)

2. Health reason for not being able to participate. Please list medical reason here _____ . A physicians note may be required.

3. I play a double reed instrument and not able to march.

Having a rigorous work schedule or just not wanting to perform with the marching band is not excused. Please be aware that proper documentation may need to be provided in order to be exempt.
